LUXER ROOM

Turn any indoor or outdoor room
into a smart package solution.

- 1 Controlled access package room
- 2 Efficient use of small space
- 3 Affordable & scalable
- 4 Use as a complete solution or as an oversized & overflow solution with lockers

I love the Luxer One systems on my route. I tell all the other complexes I deliver to that they need to look into it. It saves me so much time, and above all, it's secure. ”

MULTIFAMILY'S

#1 LOCKERS

according to the 2018 NMHC & Kingsley Package Delivery Report

“ Our experience with Luxer One has been a true partnership. The team has been open to new ideas and incredibly helpful in providing ideas ranging from troubleshooting to creative new solutions. ”

Maria Banks | President & CEO
AMLI Management Co.

“ In a time where amenities are continually being evaluated by prospective residents, it's a no-brainer for us to implement Luxer at our assets moving forward. ”

Andrea Rothstein | EVP of Asset Management
UBS Realty Investors LLC

“ There's a market difference in being customer service oriented. The Luxer One team is not thinking of how to push product but rather how to address the customers' need. It's great to partner with a company that thinks like we do. ”

Steve Hallsey | EVP
Wood Residential Services
