LUXER ROOM FREES YOUR STAFF FROM DEALING WITH PACKAGES

Using the touch screen station, carriers deliver to your controlled access package room.

Residents are notified instantly via text or email that they have a package to retrieve from inside the locked room.

Residents enter a one-time code to unlock the package room door. We capture a signature and picture showing proof of pickup. Video surveillance monitors all interactions.

Key Benefits

1. Efficient use of small space
2. Scalable for high volume occasions
3. Video surveillance & access logs for accountability
4. Accessible 24/7
5. Ability to add refrigerator for perishable deliveries
6. No upfront costs
7. Low monthly service fee
8. Lifetime warranty
9. 99.9% uptime guaranteed
